Re: Career Speakers Day

Dear Ms. Ellmers,

Many thanks for your participation in the Mabel Hoggard Magnet School Careers on Wheels Day. We understand that taking time from your busy schedule is not an easy task. As educators we greatly appreciate your willingness to contribute to our next generation of workers.

The passion and dedication of the speakers made a great contribution to the students' understanding of different career paths. They gained a deeper understanding of the importance of education to future success.

They were very excited and appreciative to see all of the different vehicles and listen to so many different presentations. The students are still discussing and asking questions about possible careers in their future.

We thank you for bringing the real world of work to our school.

Sincerely,

Olga Certa
